

CELSO

-Bianchello del Metauro DOC Superiore-

REGION

From 1800, Azienda Agraria Guerrieri is located in Marche region on the East Coast of Italy facing the Adriatic Sea. The vineyards are at 12 km from the sea at an altitude of 200m a.s.l.. Our terroir is called "Valle del Metauro" for the historical Metauro river that crosses all the valley.

CLIMATE

Mild and harmonious climate, with important thermal excursions and windy. Influenced by the Adriatic sea at East and from the Appennini mountains at West.

SOIL

Southern bank of the Metauro River. The formation consists of grayish calcareous mud, which turns light blue just a few meters deep. The vegetative soil is predominantly silty clay loam with small carbonate nodules originating from water erosion and from the transformation of inorganic vegetative matter into humus.

STORY OF THE WINE

This wine represent the best expression of a Bianchello grapes. Dedicated to Celso Guerrieri, austere and authentic farmer who planted the first vineyard in our farm at the beginning of the 20th century. Reminding the seriousness and the hard-working of that farmers class who makes proud our country.
